TOTTENHAM & DISTRICT SOCCER CLUB

Present Situation:

Voting at General Meeting:

At an Annual General Meeting, League General Meeting or at a Special General Meeting, each Member is entitled to one vote provided they are in good standings with the League and as described in Article 4 of the constitution and having no unpaid fees.

The Treasurer shall, at the beginning of each meeting, read out those clubs having unpaid charges and shall monitor that they do not exercise a vote.

The League Executive, if not representing a club, will have a vote with the exception at AGM. In the case of a tie, the league president shall vote to break the tie.

Each club has one vote at the general meetings, regardless of the number of teams the club has entered into the SCYSL. Some member clubs run in-house leagues, and view SCYSL-B Loop as something other than House League. Consequently some of the policies they support are destructive to the needs of house league players. To mitigate this, we propose voting power be distributed on a basis proportional to the number of teams a member club enters, thereby giving the member clubs representing the most players a louder voice.

Specific Decision Requested

Each member club has one vote for every five teams they enter into the SCYSL to a maximum of five votes. For clarity, a member club with 1 to 5 teams has one vote, a member club with 6 to 10 teams has two votes, etc. This will also align SCYSL voting with HDSA voting practices.
