7.6 (reschedules) Any league-sanctioned game may ONLY be rescheduled before June 15th. After this date no more rescheduled games. To reschedule:

- a) inform the opposing coach and find a mutually acceptable date. Home team to reschedule referee
- b) inform the convenor and administrator of (a) above by completing League "Game Rescheduling Form"
- c) any rescheduled game MUST be played by the 2nd week of August for standings. This may be waived by the League Convenor at the August General meeting. If a mutual agreement can't be reached by June 30th by both coaches the game then the administrator will assign the date

This rule, as written, is for games rescheduled before June 15th. After this, there will be NO more reschedules unless the referee for field, weather or other dangers cancelled the game, or because no carded referee showed up. If a field suddenly becomes unavailable, due to a recreation committee decision, the host coach must try to reach the visiting team as soon as possible, but failing that, should ensure that there is someone at the field to inform the arriving team.

All games that are marked as a PYC game CANNOT be rescheduled unless:

- (a) the referee for field, weather or other dangers cancelled the game
- (b) no carded referee showed up
- (c) if the Home Club has notified the League that the Town has cancelled all games on their fields that day
- (d) League Convenor has okayed the reschedule
